

THE Gallery WINERY

Congratulations on your engagement! Thank you for connecting and for your interest in The Gallery Winery as a possible wedding venue.

We offer a CEREMONY ONLY rental from noon to 5 p.m. Cost is \$5000 plus 5%GST for up to 50 guests for Friday/Saturday/Sunday dates in July and August. For off season and midweek dates, there is a 20% reduction.

Discounts for smaller elopement ceremonies are also offered and quoted based on guest numbers and requirements. For smaller groups of 20/25 guests, we offer a reduced rate of \$3000 (plus 5%GST) rate for Friday/Saturday/Sunday dates in July and August and a half price option of \$2500 (plus 5%GST) for all other dates.

For ceremony set up, locations include the ceremony patio or lawn area.

There is a commitment of one case of wine to be purchased and can be served during the event as a sparkling wine toast following the ceremony. Wine glasses and staff to serve are included.

Appetizer reception following is also possible. There is no onsite restaurant so your choice of a hired caterer is required. Dishwater and cutlery to be supplied by renter.

We have tables and chairs that you are welcome to use.

There is lots of level parking. There are two washrooms. The site is accessible for wheelchairs.

Note that the tasting room closes for the day during weddings so your winery rental is private and exclusive for you and your guests.

If you would like to extend the hours past the noon to 5pm wedding package time frame, cost is an hourly rate, depending on your needs and number of guests, and ranges from \$200 to \$500 (plus 5%GST) per hour.

Note that our liquor license goes until 10:30pm. Last call is 10:15pm and event must be over by 11pm.
